

# "A lot of organizations talk about customer service, but Lakeside Bank delivers it in spades."

**Brenda Swartz**  
Executive Director, Concordia Place

## **Concordia Place has a mission.**

For almost three decades now, Concordia Place has been transforming neighborhoods by providing communities in need with award-winning early childhood education, after-school programs, and summer camps and, more recently, with teen leadership, adult learning, and senior programs as well. Concordia Place has created an environment where people can come together regardless of their economic situation, ethnic, racial or religious background.

## **Lakeside Bank is helping Concordia Place achieve its mission.**

With the support of Lakeside Bank, and under the able leadership of Rev. Nicholas Zook and Brenda Swartz, Concordia Place embarked on an ambitious expansion to a second site and renovated a vacant building in the Avondale community. Today, there are state-of-the-art classrooms, a large, bright and sunny activity room and a beautiful playlot. Concordia Place has created an anchor for the neighborhood, offering everyone a place to gather, learn and grow.
