

“Lakeside Bank understands that caring about their clients is more important than simply getting the deposit”

Dr. Charles Menghini
President, VanderCook College of Music

VanderCook College of Music has a mission.

When children learn to sing or play an instrument it enriches their lives, rounds out their education and helps them grow academically and socially. VanderCook College of Music is dedicated to preparing the teachers who teach our children to find their musical voice.

Lakeside Bank is helping VanderCook College succeed in its mission.

Lakeside Bank and VanderCook College have partnered for the past several years to bring live music out into the community with free public concerts on Chicago’s south side. Along with a free family drum circle, these events draw hundreds of people from the neighborhood and beyond. In the future, Lakeside Bank hopes to support VanderCook in the creation of its new state-of-the-art building.
