

“Lakeside Bank makes it easy.”

**Sr. Sheila Lyne, RSM
President and CEO,
Mercy Hospital & Medical Center**

Since 1852, Mercy Hospital has been an anchor of the Near South Side community. Under the leadership of President & CEO, Sr. Sheila Lyne, RSM, Mercy has grown and prospered, becoming a model of compassionate, responsive and inspiring care. Lakeside Bank is pleased to be an ongoing part of Mercy Hospital's success.

For the past several years, Lakeside Bank, as part of its Women Who Make a Difference Awards Celebration, has partnered with Mercy Hospital's Comprehensive Breast and Women's Health Care Center to raise awareness of breast cancer and encourage women to get screened for the disease.

At Lakeside Bank, we understand that while running a hospital isn't easy, working with your bank ought to be. Come and talk to us, and find out what Sr. Sheila Lyne already knows that “Lakeside Bank makes it easy.”
