RECITALS

- A. Company wishes to initiate Credit Entries by means of the Automated Clearing House Network or Wire Transfers pursuant to the terms of this Agreement and the rules of the National Automated Clearing House Association and the local ACH Association (the “Rules”), and Financial Institution is willing to act as an Originating Depository Financial Institution with respect to such Entries.
- B. Unless otherwise defined herein, capitalized terms shall have the meanings provided in the Rules. The term “Entries” shall have the meaning provided in the Rules and shall also mean the data received from Company hereunder from which Financial Institution prepares Entries.

AGREEMENT

1. Transmittal Of Entries By Company.

Company shall transmit PPD (Prearranged Payments & Deposits) or CCD (Cash Concentration or Disbursement) credit or debit Entries to Financial Institution to the location(s) and in compliance with the formatting and other requirements set forth in Schedule A attached hereto. The total dollar amount of Entries transmitted by Company to Financial Institution on any day shall not exceed the amount specified in the Maximum Limit section on Schedule A.

2. Security Procedure.

- (a) Company and Financial Institution shall comply with the security procedure requirements described in Schedule B attached hereto with respect to Entries transmitted by Company to Financial Institution. Company acknowledges that the purpose of such security procedure is for verification of authenticity and not to detect an error in the transmission or content of an Entry. No security procedure for the detection of any such error has been agreed upon between the Financial Institution and Company.
- (b) Company is strictly responsible for establishing and maintaining the procedures to safeguard against unauthorized transmissions. Company warrants that no individual will be allowed to initiate transfers in the absence of proper supervision and safeguards, and agrees to take reasonable steps to maintain the confidentiality of the security procedures and any logins, passwords, codes, security devices and related instructions provided by the Financial Institution in connection with the security procedures described in Schedule B for the access rights granted under Schedule A or Schedule C. If Company believes or suspects that any such information or instructions have been known or accessed by unauthorized persons, Company agrees to notify Financial Institution immediately followed by written confirmation. The occurrence of unauthorized access will not affect any transfers made in good faith by Financial Institution prior to receipt of such notification and within a reasonable time period to prevent unauthorized transfers.

3. Compliance With Security Procedure.

- (a) If an Entry (or a request for cancellation or amendment of an Entry) received by Financial Institution purports to have been transmitted or authorized by Company, it will be deemed effective as Company’s Entry (or request) and Company shall be obligated to pay Financial Institution the amount of such Entry even though the Entry (or request) was not authorized by Company, provided Financial Institution accepted the entry in good faith and acted in compliance with the security procedure referred to in Schedule B with respect to such entry. If signature comparison is to be used as a part of that security procedure, Financial Institution shall be deemed to have complied with that part of such procedure if it compares the signature accompanying a file of Entries (or request for cancellation or amendment of an Entry) received with the signature of an authorized representative of Company (an “Authorized

Representative”) and, on the basis of such comparison, believes the signature accompanying such file to be that of such authorized representative.

- (b) If an Entry (or request for cancellation or amendment of an Entry) received by Financial Institution was transmitted or authorized by Company, Company shall pay Financial Institution the amount of the Entry, whether or not Financial Institution complied with the security procedure referred to in Schedule B with respect to that Entry and whether or not that Entry was erroneous in any respect or that error would have been detected if Financial Institution had complied with such procedure.

- (c) If any of the requirements of clause, (I), (II), (III) of Section 5(b) is not met, Financial Institution shall use reasonable efforts to transmit such Entries to the ACH by the next deposit deadline of the ACH following that specified in Schedule B which is a business day and a day on which the ACH is open for business.

If either of those requirements is not met, Financial Institution shall use reasonable efforts to credit the Receiver’s account in the amount of such Entry no later than the next business day following such Effective Entry Date.

Financial Institution may reject an On-Us Entry, for any reason for which an Entry may be returned under the Rules. Financial Institution may reject any Entry if Company has failed to comply with its account balance obligations under Section 11, The Account. Financial Institution may reject any entry if Company does not

adhere to security procedures as described in Schedule B. Financial Institution shall notify Company by electronic transmission, including email of such rejection no later than the business day such Entry would otherwise have been transmitted by Financial Institution to the ACH or, in the case of an On-Us entry, its Effective Entry Date. Notices of rejection shall be effective when given. Financial Institution shall have no liability to Company by reason of the rejection of any such Entry or the fact that such notice is not given at an earlier time than that provided for herein.

8. Cancellation Or Amendment By Company.

Company shall have no right to cancel or amend any Entry after its receipt by Financial Institution. However, if such request complies with the security procedures described in Schedule B for the cancellation of Data, Financial Institution shall use reasonable efforts to act on a request by Company for cancellation of an Entry prior to transmitting it to the ACH or, in the case of an On-Us Entry, prior to crediting a Receiver's account, but shall have no liability if such cancellation is not effected. Company shall reimburse Financial Institution for any expenses, losses, or damages Financial Institution may incur in effecting or attempting to effect Company's request for the reversal of an entry.

Such credit or debit shall be made as of the day of such receipt by Financial Institution. Company shall at all times maintain a balance of available funds in the Account sufficient to cover its payment obligations under this Agreement. In the event there are not sufficient available funds in the Account to cover Company's obligations under this Agreement, Company agrees that Financial Institution may debit any account maintained by Company with Financial Institution or any affiliate of Financial Institution or that Financial Institution may set off against any amount it owes to Company, in order to obtain payment of Company's obligations under this Agreement.

Company specifically acknowledges that it has received notice of the Rule regarding provisional payment and of the fact that, if such settlement is not received, the Receiving Depository Financial Institution shall be entitled to a refund from the Receiver of the amount credited and Company shall not be deemed to have paid the Receiver the amount of the Entry. In addition, Financial Institution shall be excused from failing to transmit or delay in transmitting an Entry if such transmittal would result in Financial Institution's having exceeded any limitation upon its intra-day net funds position established pursuant to present or future Federal Reserve guidelines or in Financial Institution's reasonable judgment otherwise
