CDARS® is the Certificate of Deposit Account Registry Service®. And it's the easiest, most convenient way to access FDIC insurance on large deposits.

## ▲ **Multi-Million-Dollar FDIC Insurance.**

Using the CDARS® service, you can access multi-million-dollar FDIC insurance on CD investments.\*

## ▲ **CD-Level Returns.**

You can earn rates that historically have compared favorably with other investment alternatives, including U.S. Treasuries and money market funds.

## ▲ **One Bank.**

You work directly with just us—the bank you know and trust—to secure large deposits. With CDARS®, you can avoid the hassle of opening accounts at different banks in different insurable capacities.

## ▲ **One Rate.**

You earn one interest rate per maturity on your CD investments through CDARS®. With CDARS®, there is no need to negotiate multiple rates or manually tally disbursements for each CD.

## ▲ **One Statement.**

You receive one regular statement detailing your CD investments. You no longer need to consolidate statements at the end of each month, quarter, or year.

## ▲ **No Fees.**

You pay no hidden fees of any kind. We do not charge annual fees, subscriptions fees, or transaction fees for using the CDARS® service; the rate you see is the rate you get.

## ▲ **Reduced Collateralization.**

By making your CDARS® deposits eligible for multi-million-dollar FDIC protection, you can reduce the time-consuming task of tracking collateral values on an ongoing basis.

## ▲ **A Wide Variety of Maturities.**

You can select from various maturities – ranging from 4 weeks to 5 years (260 weeks) – and choose the terms that best suit your investment needs. You also can ladder your CDs or combine maturities to create the equivalent of a customized term.

## ▲ **Community Investment.**

Your funds can support lending initiatives, including special development projects that strengthen the local community.\*

\*See a Lakeside banker for a complete CDARS® package.
